Figure 1: Symbols for various types of roads and boundaries. The figure is divided into two columns. The left column shows symbols for roads with different surface materials (e.g., gravel, asphalt, concrete) and road types (e.g., main road, branch road, railway). The right column shows symbols for boundaries (e.g., property line, boundary line) and other features (e.g., drainage ditch, watercourse). Each symbol is accompanied by a label in Japanese.
